Relationship of the Board of Directors to the Membership

The Board of Directors acts in trusteeship on behalf of the membership, and serves as the legitimizing connection between the total community and the organization. Therefore, it will govern with one voice through written policies with an emphasis on ends rather than means.

The job of the board is to achieve the purpose of the organization in a prudent and ethical way.

- outward perspective rather than internal preoccupation
- encouragement of diversity of view points
- strategic leadership more than administrative detail
- a clear distinction between the board's and the Executive Director's roles
- collective rather than individual decisions
- the future rather than the past or present, and

Board of Directors

It is the responsibility of the Board of Directors to:

- uphold the bylaws
- ensure that resolutions passed by the membership are carried out
- set policies which reflect the purpose of the organization and monitor activities to ensure compliance with those policies
- seek the funds necessary to carry out the organization's activities
- monitor the expenditure of funds
- ensure organizational continuity

While specific tasks involved in carrying out both the programs and administration of the organization may be delegated, it is the responsibility of the board to choose carefully those to whom they delegate, provide clear direction, monitor activities, appraise performance, and evaluate results.

Specifically with regard to finances, while the personal liability of each board member is protected by incorporation, there are penalties in law for negligence of duty, for not taking reasonable care in overseeing the activities of the organization. In addition, there is an ethical and moral responsibility to ensure that resources are used in the most efficient manner possible.

Members of the board are accountable primarily to the membership at large, but also to any external funding agencies and to the Alberta Department of Consumer and Corporate Affairs, under which CPF Alberta is incorporated, and to the Canada Revenue Agency, from which it derives its charitable registration.

Each board member must:

- be a member of Canadian Parents for French
- be an active and committed participant in the affairs of the organization
- be prepared for and involved at board meetings
- be regular and punctual at all board meetings; if unable to attend, give early notice to the President
- keep informed about the background of issues in order to discuss them responsibly
- acquire and maintain a clear understanding of the organization's financial position
- be willing to take an active role on one or more board committees
- know and maintain the lines of communication

- participate energetically in recruiting new board members
- support and participate in fundraising
- maintain board business confidentiality re items discussed *in camera*
- contribute to the annual report
- keep files up-to-date and hand over all documents to his/her successor promptly and in good condition.

Code of Conduct

The Board of Directors commits itself and its members to ethical, businesslike, and lawful conduct, including proper use of authority and appropriate decorum when acting as Board members.

1. Members of the Board of Directors must represent unconflicted loyalty to the interests of the organization. This accountability supersedes any conflicting loyalty such as that to advocacy or interest groups and membership on other boards or staffs. It also supersedes the personal interest of any Board member acting as a consumer of the organization's services.
2. Board members must avoid conflict of interest with respect to their fiduciary responsibility.
 - i. There must be no self-dealing or any conduct of private business or personal services between any Board member and the organization except as procedurally controlled to ensure openness, competitive opportunity, and equal access to inside information.
 - ii. Board members must not use their positions to obtain employment for themselves, family members, or close associates. Should a Board member desire employment within the organization, he or she must first resign.
 - iii. Board members will annually disclose their involvements with other organizations, consultants, partners, or any other associations that might produce a real, potential, or apparent conflict.
 - iv. Board members must not place themselves or have the appearance of placing themselves in the position of participating in decision-making at the chapter or national level of Canadian Parents for French.
 - v. When the Board is to decide upon an issue about which a Board member has an unavoidable conflict of interest, that Board member shall absent herself or himself without comment not only from the vote but also from the deliberation
3. Board members may not attempt to exercise individual authority over the organization except as explicitly set forth in Board policies.
 - i. Board members' interaction with the Executive Director or with staff must recognize the lack of authority vested in individuals except when explicitly Board-authorized.

- ii. Board members' interactions with the public, press, or other entities must recognize the same limitation and the inability of any Board member to speak for the Board except to repeat explicitly stated Board decisions.
 - iii. Board members will give no consequence or voice to individual judgments of Executive Director or staff performance, relying instead on monitoring data as described in Policy 990 and Annex C.
4. Board members will respect the confidentiality appropriate to issues of a sensitive nature.

Committee Principles

Committees of the Board of Directors, when used, will be assigned so as to reinforce the wholeness of the board's job and never to interfere with delegation from the board to the Executive Director.

This policy applies to any group that is formed by board action, whether or not it is called a committee and regardless of whether the group includes any member of the Board of Directors. It does not apply to committees formed under the authority of the Executive Director.

1. Purpose of Board Committees

Board committees are to help the board do its job, not to advise the Executive Director or help the Executive Director do his/her job. Committees will assist the board chiefly by preparing policy alternatives and implications for board deliberation.

2. Committee Members

The Chair and members of Board Committees shall be appointed by the Board of Directors.

3. Limitation of Board Committees' Authority

Board committees may not speak or act for the board except when formally given such authority for specific and time-limited purposes. Such authority will be carefully stated in order not to conflict with the provisions of Bylaw 6.5 or with authority delegated to the Executive Director.

4. Relationship of Board Committees to the Organization

- a. If a board committee is used to monitor organizational performance in a given area, the same committee will not have helped the board create policy in that area. This is to prevent committee identification with organizational parts rather than the whole.
- b. Committees will be used sparingly and ordinarily in an ad hoc capacity.
- c. The President is *ex officio* a member of all board committees except the Nominations Committee.
- d. The Executive Director is a member of all board committees except any committee of the board established to recruit and/or evaluate the Executive Director.
- e. The Executive Director may neither vote nor serve as chair of any board committee.

Board Elections

The Executive Director shall not fail to develop and provide to all members of the Board of Directors a written procedure for elections.

If there is only one nominee for a position on the Board of Directors, the President shall declare that individual elected by acclamation.

If there is more than one nominee for a board position, each nominee shall be given the opportunity to address the Annual General Meeting prior to the election for up to three minutes. The nominees for a position shall speak in alphabetical order by last name.

Banking

The bylaws require that all payments be signed by at least one member of the Board of Directors, and the board policies assign responsibility to the Treasurer for general oversight of the branch finances.  - b. that online payments can only be made when authorized by two of the signing authorities appointed by the Board of Directors
2. fail to establish and maintain written procedures for both paper-based and online banking, to include:

 - b. ensuring that all invoices, claims and receipts relating to a payment can be reviewed by the signing authorities before the cheque is signed or the online payment is authorized
 - c. ensuring that all cheques are signed by two signing authorities and all online payments will only be processed when authorization is submitted to the bank by two signing authorities in accordance with the bylaws

In addition, the full misappropriated amount may be deducted from the employee's salary.

9. Each employee authorized to receive a corporate credit card must first sign a document which indicates that he/she has read and agreed to abide by the provisions of this policy. One copy of this signed document will be kept by the employee's supervisor, one copy by the employee.

10. Upon notice of termination of employment of an employee who possesses a corporate credit card, the Executive Director must make arrangements with the employee for the return of the corporate credit card without the P.I.N. to the Executive Director. Chapters

The members of Canadian Parents for French within a particular area in a province or territory may form a chapter of CPF in order to work together to further the purpose of the organization within that area.

Canadian Parents for French, Alberta Branch believes that chapters are vital parts of the CPF network to promote and support French-second-language (FSL) learning opportunities for young Canadians. In Canada, the governance of education occurs at the provincial/territorial level. In Alberta, the School Act delegates certain of these responsibilities to local authorities. CPF Alberta therefore encourages the formation of chapters to address the needs of FSL learning at a local level.

The bylaws of Canadian Parents for French delegate to CPF Alberta the responsibility to approve, monitor and dissolve chapters within the province of Alberta.

Dissolution of a Chapter

It is the intent of Canadian Parents for French, Alberta Branch to encourage and support chapters in their vital work of addressing the needs of French-second-language (FSL) learning at a local level. However, given the nature of volunteerism as well as the potential for changes in educational programming, there may be times when a chapter is unable to fulfill its obligations as a part of Canadian Parents for French or to continue its work in support of FSL learning. This would include, but is not limited to:

- a failure to have at least ten Voting Members within its jurisdiction
- a failure to abide by the provisions of its bylaws
- a failure to provide reports as required by policy 640
- any notice to CPF Alberta from the chapter Board of Directors that the chapter is unable to continue its work.

In the event that this should occur, and after careful consideration, the following Dissolution Process will be initiated:

1. The Executive Director will communicate with the chapter President or, in his/her absence, the Vice President or another member of the chapter Board of Directors regarding the status of the chapter and the reason(s) for initiating the Dissolution Process.
2. Upon initiating the Dissolution Process the Executive Director will notify the Board of Directors, including the reason(s) for this decision.
3. Chapter activities* are considered to be on hold and the executive powers of the chapter Board of Directors will immediately be suspended.
4. All assets** are to be either held in the local chapter bank account or submitted to CPF Alberta to be held in trust for a period of six (6) months from the date of initiation of the Dissolution Process.
5. The Executive Director or designate will communicate and collaborate with members of the chapter and local stakeholder groups in an effort to resolve the reason(s) for initiating the Dissolution Process.
6. If after six (6) months there has been no resolution or no resolution appears imminent, all assets including monies (if they are still being held in the local chapter bank account) will be transferred to CPF Alberta to be held in trust for an additional eighteen (18) months and all chapter records and documents will be forwarded to CPF Alberta.

7. Should the chapter be reinstated within twenty-four (24) months of initiation of the Dissolution Process, all assets held in trust and all records and documents will be returned to the chapter.
8. Should there be no resolution within twenty-four (24) months from the initiation of the Dissolution Process, the Board of Directors will dissolve the chapter.
9. Upon dissolution, all assets will revert to CPF Alberta. If a chapter is later re-established within the same jurisdiction, it will be considered a new chapter.

In the event that approval to use the name “Canadian Parents for French” is revoked by the Board of Directors of Canadian Parents for French, the above Dissolution Process will be followed except that all assets, records and documents must be transferred to CPF Alberta immediately.

- * “Chapter activities” includes but is not limited to: advocacy efforts, information dissemination, speaking “on behalf of CPF” or “representing CPF,” meetings, chapter-organized or chapter-sponsored activities for children and/or adults, and any other activity for which any level of Canadian Parents for French assumes some liability.
- ** “Chapter assets” includes, but is not limited to, cash on hand or in the chapter’s bank account, investments, CPF promotional materials and goods purchased from CPF or CPF Alberta, chapter records and manuals, and any and all goods and property specific to CPF activities.

Membership Rebates to Chapters

It is the policy of Canadian Parents for French to distribute 90% of each paid membership fee to the provincial or territorial CPF branch with which the member is associated. To encourage the development of a large membership and to support the activities of its chapters, Canadian Parents for French, Alberta Branch, will distribute 65% of the original fee to the chapter with which the member is associated, where one exists. This amount will be called a “membership rebate.”

1. The Executive Director shall not fail to forward the membership rebates to the chapters in a timely fashion following receipt of the funds from the CPF national office provided that all annual reports have been submitted to and received by CPF Alberta as per policy 640.
2. When a new chapter has been approved by the Board of Directors in accordance with policy 610, membership rebates for that chapter shall be calculated beginning 12 months prior to the date of the founding meeting and forwarded to the chapter in a timely fashion.
3. Should the Dissolution Process in accordance with policy 650 be initiated for a chapter, membership rebates for that chapter will be discontinued and the funds held in trust as follows:
 - a. If the chapter is reinstated before the end of the Dissolution Process, all accrued membership rebates will be forwarded to the chapter in a timely fashion.
 - b. If the chapter is dissolved, all accrued membership rebates will revert to CPF Alberta.

Accordingly:

1. The Board will never give instructions to persons who report directly or indirectly to the Executive Director.
2. The Board will refrain from evaluating, either formally or informally, any staff other than the Executive Director.

Monitoring Executive Director Performance

The President is responsible for coordinating regular evaluations of the Executive Director. In general the evaluation period should be one year, but a shorter period may be selected (for example, to coordinate with the probationary period of a contract).

Systematic monitoring of the Executive Director job performance will be done in accordance with policies 910 and 920.

The Board will acquire monitoring data by one or more of three methods:

1. by regular written internal report, in which the Executive Director discloses compliance information to the Board
2. by external report, in which an external, disinterested third party selected by the Board assesses compliance with Board policies
3. by direct Board inspection, in which a designated member or members of the Board assess compliance with the appropriate policy criteria.

The assessment tool provided in Annex C can be used by the Board to collate monitoring data to be used for Executive Director performance assessment.

Monitoring Data for Executive Director Performance Assessment

This assessment tool provides some sample assessment questions to test compliance with Ends statements and Executive Limitation policies. Documentation of monitoring data must be objective, pertinent and complete (including observations rather than judgements). Since many of the Executive Limitations deal with operational issues, direct monitoring data are not generally available to the Board.
