# **MONITOR PROGRAM**

Youth between the ages of 12-18 will have the following opportunities:

## **Monitor-in-Training (MIT) - Ages 12-15**

- These individuals will act as a role model for the younger youth by participating in the events and helping monitors where needed.
- The (MITs) will have varying responsibilities determined by the ages of the youth that they will be working with.

## **Monitor - Ages 16+**

- Supervising a group of children while they participate in the planned activities;
- Managing any and all situations which may arise with the participants;
- Supervising the MITs assigned to help with that group;
- Mentoring the MITs so that they can develop new skills;
- Report any issues, concerns or challenges back to CPF Staff.

\*All youth activities will be supervised by an adult 18+.
