**Project: Sea the Ink?**

**Materials:**

→ Paint

◆ **Note:** The paint should be water-based and ideally watercolor. 2-3 colors (if desired). Palettes can be found at the Dollar Store.

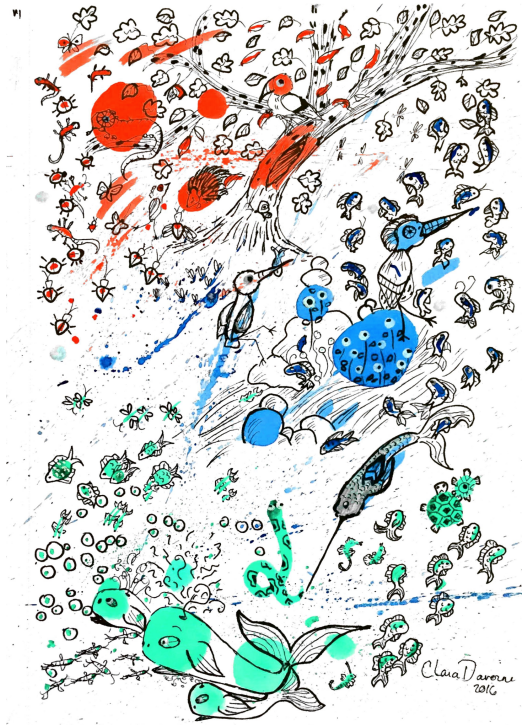

→ Paintbrush

→ Blank sheet of paper

◆ **Note:** Although any paper that can hold paint is fine, I recommend thicker paper from a sketchbook. These can be found at a Dollar Store, Walmart, Amazon, Michaels etc... This notebook can then be used for a variety of future projects.

→ Black pen (Fine point Sharpie)

◆ **Note:** A sharpie is not mandatory. However, the ink should be waterproof.
